

Original Series Black & Silver Speaker Stand - TS-80B & TS-80S

The Original Series speaker stands from Ultimate Support are amazingly strong yet lightweight thanks to their oversized, thick-walled aluminum tubing. They're everything you'd expect from an Ultimate Support speaker stand:

- Strong, sturdy, lightweight, and 100% field serviceable. Original Series speaker stands are available in black and silver.

Patented Tripod Design

Ultimate Support's patented tripod legs are designed for strength and durability. The legs are designed to be easily replaced over a lifetime of use.

Over-Size Tubing

Our speaker stands are made with over-sized tubing for greater strength and dependability.

Die-Cast Fittings

Strong die-cast fittings are found throughout the stand and help support key components like the tripod legs and telescoping tube.
