

FS-6C™

Color Changing Adapter for the FS-600/A™

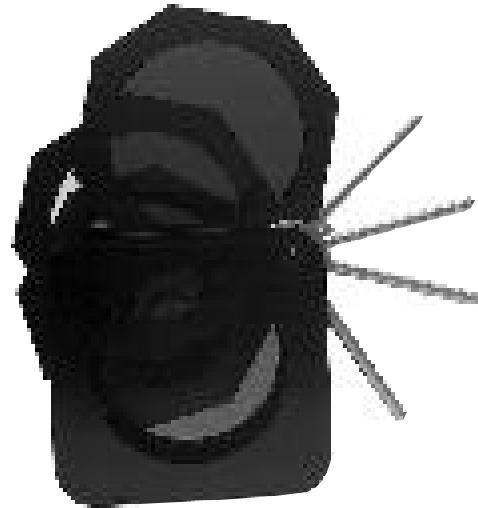

Thank you for purchasing this *American DJ™* product. Please read the following instructions before installing or using your new unit.

Operating Instructions:

The FS-6C™ by American DJ® is a black, metal color changing adapter that mounts on the front of the American DJ® FS-600/A™ Pro Followspot. Features 4 color wands, enabling the operator to use one or all wands to blend color on the spot. Use American DJ® color gel sheets (not included with FS-6C, sold separately). The FS-6C™ conveniently mounts in the gel frame bracket on the front of the FS-600/A™.

Color Gel Assembly: Unscrew 2 allen screws on each side of the base of the color wands. Unscrew 4 smaller allen screw and disassemble the 4 color wands. Unscrew 2 phillips type screw on each individual wand. Fit in approx. 6 1/2" x 6 1/2" color gel sheet. Rescrew 2 screws with supplied

For service, contact your *American DJ™* dealer.
