Availability - typically ships in 1 - 2 weeks.

These re-designed SKB Roto Racks have a exterior design that includes a recognizable bar design that signified the rack size on the front and rear covers with interlocking capabilities for a secure stack with Roto Racks and the Roto Shallow Racks. Recessed steel, Mil-Spec black twist latches, and heavy-duty flush handles, front and rear rack rails with a rack depth of 17.6" so gear can now be mounted front and rear with the supplied rackmount clips.
